

Dear Members, Partners, and Friends,

Thank you for your interest in working with the Sandusky County Young Professionals Group (SCYPG). Since July of 2016 we have been dedicated to creating a group that will provide opportunities for personal and professional development of our area's young professionals. We are striving every day to provide our membership with opportunities to get involved and learn how to make a difference in our community.

We are proud to introduce two new programs for 2021.

Our new Mentor Monday Lunches give young professionals the chance to have a conversation over lunch with prominent leaders in Sandusky County. This event will occur quarterly.

The SCYPG will launch "Operation: Birthday Wish" on January 1, 2021. The mission of Operation: Birthday Wish is to provide youth in foster or kinship care the opportunity to celebrate their birthday and make a birthday wish! An entire birthday celebration is assembled, packaged, and then delivered to our S.U.P.E.R foster child. This party in a box, includes a birthday cake, candles, party plates, a birthday present, and party decorations. Each one is customized to the child and their dreams, talents, career interests, and wishes.

Returning for 2021 will be our wildly popular monthly Fresh Brewed Business, an informal networking event over coffee, and YP On Tap, our quarterly after hours event.

The enclosed sponsor packet presents numerous opportunities for you and your company to get involved with shaping the future leaders of Sandusky County.

Sincerely,

Rachel Wynkoop
